**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

MY company could not exist without broadband and I am stuck with two marginal providers, whose prices increase while service levels remain flat. My hope is that eventually I will have access to faster internet at a competitive price. The only thing that could make that happen is competition from an independent ISP. Without it, there is no incentive to improve.
